

## Acknowledgments

To our editors at Forge Books, Bob Gleason, Eric Raab, and Whitney Ross, and to our publisher, Tom Doherty, for their support and superhuman patience in the management of these manuscripts. To my coauthor, Joel Martin, who has tirelessly plied the field of the paranormal, debunking the frauds and establishing a scientific basis for what he believes is true. And to my wife, Nancy Hayfield, for her extraordinary patience as I traveled on the road for *UFO Hunters* and *Ancient Aliens* while working on all of my books. She is *UFO Magazine*.
